

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The particular objects of this Society shall be: *First*, The establishment of a library of books and publications, appropriate to such an institution, with convenient works of reference, and also a cabinet of antiquities, relics, etc.; *Second*, The collection, into a safe and permanent depository, of manuscripts, documents, papers and tracts, possessing a historical value and worthy of preservation; *Third*, To encourage investigation of aboriginal remains, and more particularly, to provide for the complete and scientific exploration and survey of such aboriginal monuments as exist within the limits of this State.

and the Mississippi Valley; *Fourth*, To collect and preserve, in particular, such historical materials as shall serve to illustrate the settlement and growth of the City of St. Louis, State of Missouri, and the Mississippi Valley.

#### OFFICERS.

1. The regular officers of this Society shall consist of a President, two Vice-Presidents, a Treasurer, a Corresponding Secretary, a Recording Secretary, and a Librarian who shall also be Cabinet Keeper, but assistants may be appointed.

2. All the above-named officers shall be chosen by ballot at the annual meeting of the Society, and hold their respective offices until their successors shall be duly elected and qualified.

3. Vacancies occurring from any cause in any of the regular offices of this Society shall be filled by ballot at any regular meeting, notice of such election to be given by the Recording Secretary in calling the meeting at which such election shall take place.

#### MEMBERSHIP.

The membership of this Society shall be composed of four classes, viz.: Active, Associate, Corresponding and Honorary.

#### ACTIVE MEMBERS.

To be an active member of this Society, the member must be a resident of the city of St. Louis. The active members shall exclusively conduct its affairs, elect its

officers, admit its members, and fill its offices. They shall pay an admission fee of five dollars, and an annual assessment of five dollars, as long as they continue members.

#### ASSOCIATE MEMBERS.

1. For the convenience of such residents in the State as may desire the privileges of this Society, without active and responsible participation in its labors and management, it may be competent for the Society, at any time, to elect such as associate members by a vote of the majority of the members present at any regular meeting—the names of such candidates having been previously proposed and referred, as shall be provided for.

2. Such members shall be entitled to receive a copy of all publications issued at the Society's expense, and shall have the right, conformable to the By-Laws, of access to its library and collections, and also of introducing individuals to the same, together with attendance at their pleasure, at any of its meetings for scientific and historical discussions or addresses, and of participation in such discussions; but they shall not vote nor hold any regular office.

3. Any person elected to be an associate member, may, by the contribution of the sum of fifty dollars to the Society's treasury, become an associate life member, with all the privileges of an active member, and thenceforth shall be exempt from all annual charges. Until then, they shall pay such initiation fee and annual assessments as shall be required by the By-Laws.

## CORRESPONDING AND HONORARY MEMBERS.

1. The admission of corresponding and honorary members shall be regulated by the By-Laws.

2. Such members shall have the right of attendance at any of the Society's meetings, and of participating in any scientific or historical discussions, but they shall not vote nor hold any regular office in the same, and they shall be exempt from all charges, fees, and assessments.

## FORFEITURE OF MEMBERSHIP.

1. Failure to pay the regular assessment before the succeeding annual meeting shall entail forfeiture, unless the member is absent from the city and has not been duly notified by the Society.

2. Conduct unsatisfactory to the members, and by them deemed incompatible with membership, shall work a forfeiture. The mode of enquiry and proceedings therein to be prescribed in the By-Laws.

## MEETINGS OF THE SOCIETY.

1. The annual meeting for the election of officers shall be held on the second Thursday of December in each year.

2. All regular and special meetings of the Society shall be held at such times and places, and be conducted by such rules and order of business, as shall be determined in the By-Laws.

## QUORUM.

Five active members shall constitute a quorum at any meeting, except at the annual meeting for the election of officers, when the required number shall be at least ten active members.

## SPECIAL MEETINGS.

Special meetings may be called under the direction of the President, or in case of his absence, by one of the Vice-Presidents, for the dispatch of extraordinary business, of which seasonable notice, in writing, shall be given to all the active members: *Provided, however*, that the spirit of this Constitution and the By-Laws of the Society shall in no case be violated by the transactions of such meeting.

## MANUSCRIPTS, CORRESPONDENCE, ETC.

All manuscripts, correspondence, and unpublished papers deposited with this Society, shall be forever held by them in trust for the public benefit, and shall remain in possession of the Society, unless otherwise directed by the donors, or those having legal control of the same. Copies of the same shall never be taken or removed out of the Society's immediate custody, without express permission from the Society, previously asked and obtained.

## SEAL AND DIPLOMA.

This Society shall have a seal, bearing such emblems, devices, or mottoes as shall be agreed upon by the mem-

bers. A suitable form of diploma or certificate of membership shall be furnished by the Recording Secretary, duly executed by the President, Secretary, and Treasurer, with the seal of the Society attached thereto.

#### OFFICERS AND THEIR DUTIES.

His accounts shall always be open to the inspection of the Board of Directors, and he shall make a written quarterly statement to said Board, of the amount then in the treasury. He shall deposit all sums of money received or collected by him, for the Society, in some banking house in the city of St. Louis, in the name of the Society, as

soon as he shall have in his hands or under his control, the sum of at least \$25, and shall not draw out the same or any part thereof, except for payments duly authorized, and then only by his official check countersigned by the President or one of the Vice-Presidents, or Chairman of Directors. A copy of this article shall be left at the place of deposit, and the signatures of the officers for countersigning and of the Treasurer shall be always kept there. The Treasurer shall be allowed a commission of 5 per cent. on all collections of moneys for fees or assessments made through him for the Society, to defray the expense of collecting same. Whenever there shall be any occasion for the services of the Treasurer and the same cannot be had in convenient time, then any two of the Board of Directors may perform such duties with like effect and validity, as if performed by the Treasurer. He shall purchase a blank book at the expense of the Society, which shall be regarded as official and the property of the Society, and in which he shall enter every and all acts of his official doings, with their respective dates and balances struck at the time reports are made to the Society, showing the statements to be exact copies of his cash book account. The Treasurer shall be required to give bonds with security, to be approved by the Society, for the faithful performance of the duties of his office. The amount of said bond shall be determined by a vote of the Society before the annual election of officers, and be increased from time to time as occasion may require.

1. *Recording Secretary.*—The Recording Secretary shall keep a record of all the Society's meetings, which record shall be duly signed and certified by him and read

at the opening of the succeeding meeting for information and revision. He shall have charge of the seal, charter, certificates, By-Laws and records of the Society.

2. He shall also duly notify, in print or writing, in conformity to the Constitution and By-Laws, the several active members, of all meetings, and also all new members of their election.

3. He shall perform all other duties specially required of him in the Constitution and By Laws.

4. All written communications relating to the Society and its operations, which may be received or made by him in the intervals of the Society's meetings, shall be duly preserved by him, and deposited with the Society's collections, and a report of the same shall be made by him to the members at its next meeting.

5. In case of the absence of the Secretary, a Secretary *pro tempore* shall be appointed by the presiding officer.

1. *Corresponding Secretary.*—To the Corresponding Secretary shall properly belong the charge of all communications and correspondence, not otherwise provided for, between this and other Societies or individuals, relating to the objects or operations of this Society.

2. He shall make report at the regular meetings of the Society of all communications received or written by him, which shall be duly filed and deposited in the collections of the Society.

1. *Librarian and Cabinet-Keeper.*— The Librarian shall have charge of the library and cabinet, including all manuscripts, papers, and documents in the Society's possession.

2. He shall prepare a suitable catalogue of the same and have all papers and manuscripts properly numbered, filed or arranged for security and convenient reference.

3. He shall keep an account of all books taken from the library by the members or any person specially authorized so to do by the Society, and by whom taken, and mark their return.

4. He shall in no case allow manuscripts to be taken from his possession, or copies of the same to be made, or articles to be removed from the cabinet, without express permission from the Society previously asked and obtained.

5. He shall also keep a record of all donations, in a book specially set apart for that purpose, giving date of donations, how received, name of donor, where residing, full description of books, pictures, manuscripts, tracts, antiquities or relics presented, how said donations were disposed of by the Society, and when acknowledgment was made to donor; where donation is to be found, how endorsed, numbered and filed.

6. It shall also be his duty to provide for the full security of all books and collections belonging to the Society, by reporting, as occasion may require, their condition, and recommend such steps as he shall judge necessary for their perfect preservation, and make an annual report in writing to the Society of all donations and general condition of cabinet and library.

#### UNION OF OFFICES IN THE SAME INDIVIDUAL.

The offices of Treasurer, Recording Secretary, Corresponding Secretary, and Librarian and Cabinet Keeper,

# THE OLD LANDMARKS.

---

*An Invitation to a Centenary Anniversary.*

---

*Fellow Citizens :*

The undersigned, old residents of St. Louis, who have spent the flower of their lives in advancing its interests, and still bear a conspicuous part in promoting its future greatness, respectfully address you on a subject of lasting interest to us and posterity.

An authentic history of the city from its first settlement, written under the supervision of a Directory selected from our best scholars, is a desideratum which should be immediately supplied.

This would insure a carefully prepared record of its founding, progress, institutions, benefactors, prominent men, and events that mark its different epochs.

We now have the means, the talents, and the time to accomplish it; and we must improve the opportunity before it passes away.

A century will elapse on the 11th day of August next (1866) since the first grant of land was made in St. Louis.

We propose to celebrate the Centenary Anniversary of that event, by meeting, on that day, at the Court House, at two o'clock P. M., and forming an Historical Society worthy of our age.

We cordially invite all who feel interested in the enterprise to attend and participate with their old friends in forming a society that, we flatter ourselves, will be more lasting and useful than any other we are now acquainted with, and most likely to do justice to the subjects on which they write.
